**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please continue to allow more broadband competition. Consolidation in this industry will hurt innovation by incentivizing complacency and poor customer service. I chose a small competitive provider because they offer way better customer service than the big companies. We don't need consolidation in broadband like we have in all our media industries. I am politically active and support candidates that support this view.

Thanks for your time,
